

Triple Ball Score Sheet Instructions

AFTER Coin Toss

- Official will have the Captains decide who serves and who is Team A based on a coin toss. Official will advise the Scorer of the decision.
- Each Team provides a Line Up Card.
- Confirm the Jersey Numbers against the Roster and put a checkmarks beside the Jersey Numbers on the Roster (this way you can confirm everybody plays as it's Fair Play and all need to play on at least 1 set).
- Fill in on score sheet (I = bottom right, then go counterclockwise).
- Initial the back and place upside down on scoresheet for the Official.

Scoring

- Visually check Server's number, if correct, mark the corner of the score box (this helps you keep your spot too). If the incorrect player is about to serve - let them serve - then inform the Official immediately.
- Every ball introduced (served or tossed) is worth one (1) point. Award the point to whichever team won the point.
- Tick points scored with a running total under the "points" section.
- After each three-ball sequence, record the serving team's score in the score box beside the check you made earlier.
- Now repeat the process for the other side. Continue alternating every 3 points until the completion of the match.
